FOOTNOTES

Tobacco Weight : According to Specs, rounded to the nearest mg, including Moisture and Additives

Ingredient Quantity : According to Specs and suppliers disclosures, in mgs.

YEAR : Products produced and exported to Portugal between 20.08.2013 and 04.08.2014

Flavourings : Agregeate of all substances-ingredients below 0,1% each in the final product

Ingredient Name of non Tobacco Materials : Generic names are used for the ingredients with quantity less than 0.1% of the total cigarette weight

Data: Data about ingredients is not meant to be understood as safety information

Trade Secret: Where data are not complete, it is due to the fact that these are considered to be trade secrets by the industry

Yields (Tar, Nicotine, CO): Values printed on the pack

Language: In case of not accurate Translation to the Portugease Language, the English Language should be used for any dispute

FOOTNOTES

Tobacco Weight : According to Specs, rounded to the nearest mg. including Moisture and Additives
Ingredient Quantity : According to Specs and suppliers disclosures, in mgs.
YEAR : Products produced and exported to Portugal between 20.08.2013 and 04.08.2014
Flavourings : Agreegate of all substances-ingredients below 0,1% each in the final product
Ingredient Name of non Tobacco Materials : Generic names are used for the ingredients with quantity less than 0.1% of the total cigarette weight
Data: Data about ingredients is not meant to be understood as safety information
Trade Secret: Where data are not complete, it is due to the fact that these are considered to be trade secrets by the industry
Yields (Tar, Nicotine, CO): Values printed on the pack
Language: In case of not accurate Translation to the Portugease Language, the English Language should be used for any dispute

FOOTNOTES

Tobacco Weight : According to Specs, rounded to the nearest mg. Including Moisture and Additives
Ingredient Quantity : According to Specs and suppliers disclosures, in mgs,
YEAR : Products produced and exported to Portugal between 20.08.2013 and 04.08.2014
Flavourings : Agreegate of all substances-ingredients below 0,1% each in the final product
Ingredient Name of non Tobacco Materials : Generic names are used for the ingredients with quantity less than 0.1% of the total cigarette weight
Data: Data about ingredients is not meant to be understood as safety information
Trade Secret: Where data are not complete, it is due to the fact that these are considered to be trade secrets by the industry
Yields (Tar, Nicotine, CO): Values printed on the pack
Language: In case of not accurate Translation to the Portugease Language, the English Language should be used for any dispute

FOOTNOTES

Tobacco Weight : According to Specs, rounded to the nearest mg. Including Moisture and Additives
Ingredient Quantity : According to Specs and suppliers disclosures, in mgs,
YEAR : Products produced and exported to Portugal between 20.08.2013 and 04.08.2014
Flavourings : Agreegate of all substances-ingredients below 0,1% each in the final product
Ingredient Name of non Tobacco Materials : Generic names are used for the ingredients with quantity less than 0,1% of the total cigarette weight
Data: Data about ingredients is not meant to be understood as safety information
Trade Secret: Where data are not complete, it is due to the fact that these are considered to be trade secrets by the industry
Yields (Tar, Nicotine, CO): Values printed on the pack
Language: In case of not accurate Translation to the Portugease Language, the English Language should be used for any dispute

FOOTNOTES

Tobacco Weight : According to Specs, rounded to the nearest mg. Including Moisture and Additives
Ingredient Quantity : According to Specs and suppliers disclosures, in mgs,
YEAR : Products produced and exported to Portugal between 20.08.2013 and 04.08.2014
Flavourings : Agreegate of all substances-ingredients below 0,1% each in the final product
Ingredient Name of non Tobacco Materials : Generic names are used for the ingredients with quantity less than 0,1% of the total cigarette weight
Data: Data about ingredients is not meant to be understood as safety information
Trade Secret: Where data are not complete, it is due to the fact that these are considered to be trade secrets by the industry
Yields (Tar, Nicotine, CO): Values printed on the pack
Language: In case of not accurate Translation to the Portugease Language, the English Language should be used for any dispute

FOOTNOTES

Tobacco Weight : According to Specs, rounded to the nearest mg. Including Moisture and Additives
Ingredient Quantity : According to Specs and suppliers disclosures, in mgs,
YEAR : Products produced and exported to Portugal between 20.08.2013 and 04.08.2014
Flavourings : Agreegate of all substances-ingredients below 0,1% each in the final product
Ingredient Name of non Tobacco Materials : Generic names are used for the ingredients with quantity less than 0.1% of the total cigarette weight
Data: Data about ingredients is not meant to be understood as safety information
Trade Secret: Where data are not complete, it is due to the fact that these are considered to be trade secrets by the industry
Yields (Tar, Nicotine, CO): Values printed on the pack
Language: In case of not accurate Translation to the Portugease Language, the English Language should be used for any dispute

FOOTNOTES

Tobacco Weight : According to Specs, rounded to the nearest mg. Including Moisture and Additives
Ingredient Quantity : According to Specs and suppliers disclosures, in mgs,
YEAR : Products produced and exported to Portugal between 20.08.2013 and 04.08.2014
Flavourings : Agreegate of all substances-ingredients below 0,1% each in the final product
Menthol Quantity : Quantity added to the product during production. Not quantity after equilibrium
Ingredient Name of non Tobacco Materials : Generic names are used for the ingredients with quantity less than 0.1% of the total cigarette weight
Data: Data about ingredients is not meant to be understood as safety information
Trade Secret: Where data are not complete, it is due to the fact that these are considered to be trade secrets by the industry
Yields (Tar, Nicotine, CO): Values printed on the pack
Language: In case of not accurate Translation to the Portugease Language, the English Language should be used for any dispute

FOOTNOTES

Tobacco Weight : According to Specs, rounded to the nearest mg. Including Moisture and Additives
Ingredient Quantity : According to Specs and suppliers disclosures, in mgs.
YEAR : Products produced and exported to Portugal between 20.08.2013 and 04.08.2014
Flavourings : Agreegate of all substances-ingredients below 0,1% each in the final product
Ingredient Name of non Tobacco Materials : Generic names are used for the ingredients with quantity less than 0.1% of the total cigarette weight
Data: Data about ingredients is not meant to be understood as safety information
Trade Secret: Where data are not complete, it is due to the fact that these are considered to be trade secrets by the industry
Yields (Tar, Nicotine, CO): Values printed on the pack
Language: In case of not accurate Translation to the Portugease Language, the English Language should be used for any dispute

FOOTNOTES

Tobacco Weight : According to Specs, rounded to the nearest mg. Including Moisture and Additives
Ingredient Quantity : According to Specs and suppliers disclosures, in mgs,
YEAR : Products produced and exported to Portugal between 20.08.2013 and 04.08.2014
Flavourings : Agreegate of all substances-ingredients below 0,1% each in the final product
Ingredient Name of non Tobacco Materials : Generic names are used for the ingredients with quantity less than 0.1% of the total cigarette weight
Data: Data about ingredients is not meant to be understood as safety information
Trade Secret: Where data are not complete, it is due to the fact that these are considered to be trade secrets by the industry
Yields (Tar, Nicotine, CO): Values printed on the pack
Language: In case of not accurate Translation to the Portugease Language, the English Language should be used for any dispute

FOOTNOTES

Tobacco Weight : According to Specs, rounded to the nearest mg. Including Moisture and Additives
Ingredient Quantity : According to Specs and suppliers disclosures, in mgs,
YEAR : Products produced and exported to Portugal between 20.08.2013 and 04.08.2014
Flavourings : Agreegate of all substances-ingredients below 0,1% each in the final product
Menthol Quantity : Quantity added to the product during production. Not quantity after equilibrium
Ingredient Name of non Tobacco Materials : Generic names are used for the ingredients with quantity less than 0.1% of the total cigarette weight
Data: Data about ingredients is not meant to be understood as safety information
Trade Secret: Where data are not complete, it is due to the fact that these are considered to be trade secrets by the industry
Yields (Tar, Nicotine, CO): Values printed on the pack
Language: In case of not accurate Translation to the Portugease Language, the English Language should be used for any dispute

Ingredients List (for public)

Kohlhase, Kopp & Co. GmbH & Co. KG
