PUBLIC HEALTH

**Call for interest for European Reference Networks
launched today**

A call for highly specialised healthcare providers to establish European Reference Networks (ERNs) has opened today, and will run until **21 June 2016**. All relevant information and documents are available on the dedicated [web page](#).

DG SANTE is organising an [info day](#) on **7 April 2016** to help candidates with the technicalities of the call for interest for ERNs and call for grants. The event will take place in Brussels on **7 April 2016**. As places are limited and priority will be given to potential candidates, interested stakeholders are invited to follow the event online. The web streaming link will be announced on the [event's web page](#) at the beginning of April.

For **more information** see our [FAQ](#) and [leaflet](#) on ERNs.
