

COPYRIGHT ASSIGNMENT STATEMENT

Identification

Name of author _____

Title _____

Conflicts of interest

I herewith declare that there are no conflicts of interest concerning the following situations:

- In the last 5 years received any financial incentive from an organization that may in any way financially gain or lose from the manuscript results or conclusions;
- In the last 5 years was employed by an organization that may in any way financially gain or lose from the manuscript results or conclusions;
- Hold some form of financial participation in an organization that may in any way financially gain or lose from the manuscript results or conclusions;
- There are other financial interests to declare;
- My academic institution or employer has any financial interest or conflict related with the manuscript results or conclusions.

If you consider that there are potential conflicts of interest, please draft a conflicts of interest statement to be published along with the article.

Copyright assignment

- Authors grant to Direção Geral da Saúde (Directorate-General of Health - Ministry of Health, Portugal) (exclusive right of publication and distribution in physical, electronic, via broadcast or by any other media, the content of the manuscript identified in this statement. This permit is permanent and effective from the moment manuscript is submitted and is world wide scope. Authors also state that this assignment is free. If DGS informs authors that has decided not to publish the manuscript, transfer of exclusive rights ceases immediately.
- Authors authorize DGS (or an entity designed by it) to act on its behalf when it is considered that there is copyright violation.
- Authors are entitled to put in its website or its institution's an exact copy in electronic format of the article published by DGS, provided that reference is made to its publication in RDGS and content not changed.
- Authors accept that, in case of conflict, this agreement resolution is made in Portugal and according to the applicable Portuguese legislation.

I herewith declare that I read and accept the above mentioned conditions.

Permit to publish

I herewith declare that I authorize the publication of the enclosed article, entitled

of which I am author. I declare that this article is original, has not been object to any other kind of publication, nor has been proposed simultaneously for publication in other journals or newspapers. I also declare that I have read this statement and the information I provide is complete and true. I also declare that I hold property rights and/or use of any material included in the manuscript (including tables, figures and pictures), that I hand over the Scientific Journal of the Directorate-General of Health according with the terms contained herein.
